## Publishers Serving the School Community

... and many more!

Our dream is to help you and your students do more with the music you love and attract more students to participate in the great arts and athletic programs taking place in our schools. Our priority is to enable schools to showcase their programs by granting permission to record and stream a wide range of school events that include music. At the same time, we affordably ensure that authors, composers, and publishers receive the appropriate royalties for their work.

With School Music License, LLC, you are joining a community of dedicated music teachers, music directors, school administrators, coaches, dance choreographers, and volunteers who care deeply about supporting their students and the artists whose music they enjoy. Purchase the annual licensing options you need, search our database to make sure a song is included, and report what you use on our robust and convenient platform. It is that easy!

# SCHOOL MUSIC LICENSE

**Now  
Launched**  
with 10  
Million Songs!

School Music License makes it easy for your K-12 school—with one annual fee—to obtain music permissions necessary to record and stream performances of school band concerts, orchestra recitals, choir performances, marching band shows, pep rallies, halftime shows, dance recitals, and more. Post these videos to your school’s own website or major social media platforms, including YouTube, Instagram, Facebook, Snapchat, or TikTok!

With School Music License you can:

- Use our online database to confirm copyright coverage and report your song usage.
- Display or print lyrics as needed with our Annual Basic License.
- Include commercial recordings within a stream with our Master Recording Bundle option, which launches later this year!

School Music License does the hard work for you! We are the industry leader in school copyright permissions and in justly compensating composers and artists! Contact our team today at [info@schoolmusiclicense.com](mailto:info@schoolmusiclicense.com) for more information.
