- Permission to use approved lyrics of approved songs in concert programs, as well as permission to display lyrics on a slide, subtitle, or online resource.

Testimonials

"My most valuable commodity is time, and I never have enough to do all the things it takes to make sure our programs are running successfully. Having one place we can go to get this music covered is such a powerful thing. Having School Music License is really going to revolutionize how we put our music into the world."

Johnathan Glawe
Director of Orchestras

"Many times I'm one drip above drowning and this service allows me to report music easily. It's convenient, and even better, affordable. I can share what my students are doing across the country with grandparents, friends, and relatives. It is a beautiful opportunity to showcase students while staying copyright compliant."

Paul Kyle
Director of Bands

"School Music License can benefit your programs and benefit band, orchestra, and choir families. It can help you legally stream any of your performances, including Drill and Dance Teams and Cheer Squads. It would have made my life a lot easier and I'm sure it will make yours as well!"
